Company Overview

Northway Dental is a mid-sized dental practice with 5 doctors and 50 years of experience serving the St. Cloud community. Our focus is on providing excellent patient care and maintaining a collaborative and supportive work environment. At Northway Dental, we recognize the important role that each individual team member plays in providing the best care possible for our patients. Our office hours offer flexibility, and we provide competitive pay, a comprehensive benefits package, and opportunities for professional growth. New graduates are also encouraged to apply.

Key Responsibilities

- Ensure patients feel comfortable during their examination
- Conduct initial mouth screenings and check oral health history
- Identify and document oral health conditions such as gingivitis, cavities, and periodontitis
- Educate patients on proper dental care
- Perform x-rays, maintain documentation and charts in dental software, monitor supplies, and sterilize dental instruments

Required Skills and Qualifications

- In-depth knowledge of health and safety regulations
- Excellent communication and interpersonal skills
- Patient-oriented and friendly personality
- Great attention to detail
- Physical ability to meet the demands of the job
- Valid license to practice-RDH and a diploma in Dental Hygiene
